Special Dispatch to The Star. PHILADELPHIA. June 2 .- Six runs in the second inning gave the Athletics an easy victory over Washington yesterday. Plank was in excellent form, and with this nargin to work on he had no trouble in holding Washington down so well that the game proved rather uninteresting. Washington was, indeed, lucky to escape a shut-out, a dropped thrown ball by Nicholls in the fifth being its only sal-

Smith started to do the pitching for Washington and when he retired the side in order in the first it looked as, though it might be a pitchers' battle. But there was a sudden change in the second. Davis started with a safe hit to center. J. Collins hit to short, but Delehanty dropped the ball at second in an effort to get Davis. Coombs beat out a bunt, filing the bases. A pass to Powers forced in the Athletics' first run. Moran forced Powers at second and J. Collins came home. Moran then stole second. Plank hit to Delehanty, who threw home and Coombs was declared out on a close decision. Hartsel walked and Eddie Collins gave Delehanty a hard chance, which "Del" fumbled, alowing

which let in Plank and Hartsel. A base hit by Nicholls sent in E. Collins with the sixth run of the inning. Cates relieved Smith in the third, and the scoring ceased, though in that inning the Athletics had one man thrown out at third and another at the plate, while in the fourth, with the bases full, the side was retired on a double play.

Moran to score. Smith made a wild pitch.

Manager Mack made a complete change in his batting order yesterday, Eddie Collins being placed second with Nicholls third. J. Collins being dropped to fifth. The only two innings in which Washington had a chance were the fourth and fifth. In the fourth Delehanty and Street, the first two men up, hit safely and Clymer sacrificed. But Plank fanned Freeman and McBride rolled and easy grounder to Davis. In the fifth Washingon scored a run. Cates was hit and reached second when Nicholls dropped E. Collins' throw. Pickering, batting for Ganley, singled, scoring Cates, Cantillon changed his outfield in this inning, Milan going to left and Pickering to center.

LOCAL UNIONS EASILY DEFEAT PHILADELPHIAS

The Washington Unions continued their good playing yesterday afternoon against the Philadelphias and captured the game in handy fashion by the score of 13 to 5. The local boys got off well in the first Smith tried to get some ginger into the inning and continued to score in all but game by his lively coaching at third. one of the batting rounds, making the plate from second on Smith's wild pitch game so one-sided as to kill off the in-

When Murphy is able to play again he will be used in center field and E. Collins will remain on second.

The feature of the game was the pitching of Topham, who did not allow a runner to touch the home plate during the time he was on the rubber. In the seventh inning a line drive from Foster's bat hurt Topham so severely that he had to retire. Speer taking his place. The yesterday afternoon, 9 to 6, owing to a work of the new pitcher was quite differto retire. Speer taking his place. The rally in the seventh inning, Pelty, who ent from that of Topham, and the Quakers BROOKLAND SHUTS OUT had replaced Graham in that inning, went after him like hungry wolves, scorafter Criss had batted for Graham in the ing five runs in the final three innings. The local team put up a fine fielding sixth, being hammered off the slab, while game, all their errors being of the excusable sort, but the game cannot be said of the visitors, eight misplays being made at the most opportune time for the Washingtons. Aggies Nose Out War.

Two interesting and fast games were played in the Departmental League on the White Lot yesterday afternoon, Agriculture having defeated War, while Navy nosed out Interior, and both games resulted in the same score-4 to 3. In the Agriculture-War game the teams were evenly matched and both looked like winners throughout. The fielding of both

was of the gilt-edg order and they each batted out an equal share of hits. The Aggies got in the scoring in the very first round and every one present at this stage thought that they would have an easy time trimming the Warriors, but they didn't and had to work hard all the way to win. The Soldiers tied up the score in the second on a fusillade of hits, and from then until the sixth both teams struggled along without either being able to overcome the tie. The winning run was made by Fields, who singled, took second on Saunder's bingle and third when Taylor was hit the second time, counting on a tap by Priest, Brown on third for the Aggies played a very clever game, as did Mullin of War in the same position. Connie Doyle pulled off a very sensational play by getting one from the bat of Heider. The hit looked good for a hit, but Connie, while on the run, stuck up his glove and

NEW YORK, June 2.-Cheered by 30. 000 persons, Celt, a three-year-old colt bearing the popular colors of James R. Keene, won the twenty-second running of The Navy boys had to extend themselves events of the American turf, at the to win, but at any rate they won, and Gravesend track yesterday. He did it easily, but at the same time made a new record for the race and the Gravesend track, stepping the distance, one mile and a quarter, in 2.04 1-5.

Fair Play, August Belmont's gallant three-year-old, which ran a splendid race against Colin Saturday in the Belmont stakes, was second and Master Robert was third

The Gravesend course was packed with persons eager to see the running of the handicap, which, with the Suburban and Futurity, is regarded as one of the great contests for thoroughbreds of the year. The weather was clear and pleasant and he track was fast. When the bugle sounded for the race there was a round of applause for the favorite Keene colors as Celt came out of the paddock to go to the post. Ridden by

Notter, he cantered past the grandstand, looking the winner that he proved to be At the start he was second to get away, but after the first half mile he led the field, and from that time to the finish he was never in danger, winning with the greatest ease in new record time for the race and the course on which it is run.

Wild Cheers From the Crowd. As Celt came down the stretch well ahead, and almost eased up by his jockey, a great cheer went up from the throngs in the grandstand and on the lawns. The great Colin and his brother in blood Celt, both sons of Commando, have won

such impressive victories last year and this that the public has come to almost idolize them, and they have done much to make Keene's white with the blue polka dots the most popular colors of the day, and perhaps even in the history of American racing. Colin's winning the Belmont stakes Saturday and Celt's victory in the handicap yesterday added more than \$40,000 to Mr. Keene's stake winnings in two consecutive days of rac-

The field in the handicap was sent away to a good start. King James, bearing the Madden colors, broke in front, with Celt at his heels and Fair Play in third position. To the quarter pole the positions remained unchanged, except that Notter

Head to head to the half mile King James and Celt raced, the Keene colt running easily under restraint, while little Shreve, on King James, was riding his mount for all he was worth. Dugan also was at work with Fair Play, and the Belmont horse slowly cut down the distance between him and the leaders. Passing the half mile Celt went to the front and Fair Play passed King James. Yell for Master Robert.

A shout went up from the multitude as

it was seen now that Master Robert, who had started absolutely last, was coming Totals... 6 10 21 10 2 Totals.. 14 16 21 8 2 fast and cutting down the field one by one in his quest for a portion of the big advantage of three lengths and began easing up, and to the wire it was simply a gallop for the Keene horse, but Dugar was kept busily at work on Fair Play all through the stretch to stall off the rapid ruch of Master Robert for second place. With Celt an easy winner the spectacular feature of the race was the finish of Fair Play and Master Robert, the former managing to maintain second place by a scant half length from the still fast oncoming Master Robert. Thus the three leaders in the race were three-year-oldssomething that makes new history for the Brooklyn handicap. PIGEONS RACE FROM

Lovers of the true homing pigeon were

Sunday last treated to the greatest exhibition of homing instinct and will power that fanciers of this city ever witnessed when the highly bred and perfectly conditioned birds of the National capital district were liberated at 6 a.m. by Mr. Parks at Sallsbury, N. C., an air-line distance of 300 miles from Washington, and trapped in their home city a few minutes after 2 p.m., having traveled at the rate of nearly forty miles an hour. In view of the fact that the birds had an adverse wind to contend with over the whole course the speed attained is conthe Brooklyn handicap, one of the classic sidered truly wonderful. The condition of the feathered pets on their arrival home plainly demonstrated the fact that they were not blown home, but were compelled to fight the mighty elements for supremacy.

It is useless to say that Mr. William Ferguson is one of the happlest men in Washington, for in addition to winning the first and third diplomas he captured one of the finest prizes ever donated by a Washington fancier-a beautiful bronze statue mounted on a marble base, holding a timepiece.
